Day 1. If you have never been to Park City you are in for a treat. It is an old historic Silver mining town, a beautiful ski resort and the home of the US ski team, also the winter Olympics were held there. Great shops and fun. We will be taking the scenic route through Provo Canyon, great scenery.

Day 2. Depart Park City, detour through Salt Lake City, through northern Utah and on to Burley (lots of food and potty breaks). After checking into the motel we will go over to the Snake River Queen (about 5 miles) for the dinner cruise. Snake River Corvette club will be joining us. Bar on the boat. After dinner we can continue to party at the Riverside bar at the marina.

Day 3. Snake River Corvette Club will take us on a tour of the area. Back to Riverside Bar for an afternoon BBQ.

Day 4. Depart 8:00am for home.
