

Please join us for the March cruise of 2011

Sunday March 13, 2011

Finally, after two years and thousands of our tax dollars at work, the Fire to Water Tour is back!! We'll be enjoying the scenic and majestic Valley of Fire and driving through the newly paved winding roadways through the picturesque Lake Mead recreation Park to end our cruise with a delicious Mexican lunch at Sonrisa Grill inside Montelago Village @ Lake Las Vegas Resort. The Village will allow forty cars to be displayed inside the property so shine up those babies for all to enjoy! \$20/pp includes tax and gratuity for the Mexican taco bar and buffet. Please bring cash for lunch and the park entry fee. We'll meet at the Iron Skillet Café parking lot off the I-15 N and the Speedway exit for the 8:30 AM Drivers meeting. See you there!!
