Second event for 2012 May 26-27, 2012

As part of the weekend we will be offering a car control clinic, including braking and skid pad exercises along with classroom instruction, free to all students and first time participants.

Clinic participants also receive one-on-one instruction from our cadre of certified Instructors throughout the weekend.

For the more advanced drivers, we offer 3 different run groups, based on experience, to maximize both safety and track time (30 minute sessions).

The track opens at 7:00am, and the mandatory Driver's Meeting is at 8:15am.

The cost is only \$350.00 for both days or \$225.00 for one day. Register on-line at our webstore. (<http://lvrpca.clubstore.us.com/>) and save \$25.00/day off the "at-track" registration fee.
