

## **FRIDAY, SEPTEMBER 26<sup>TH</sup> – 8:30 am to 12:30 pm**

Do you have a few hours on the above date to bring a smile to some needy children? We need 15 volunteers to work a Goodie Two Shoes event where we will fit the children with shoes and socks. Often this is the first pair of new shoes they have had and more than likely the first time they get to choose their new shoes. For further information about the foundation, visit their web site at [www.goodietwoshoes.org](http://www.goodietwoshoes.org).

Please contact Denise Karpa as soon as possible ([karpa@cox.net](mailto:karpa@cox.net); 702-564-1071) so your name and email address may be given to the foundation. For security reasons, we only know that the event will take place in the 89115 zip code, and all volunteers will receive registration information via email a few weeks prior to September 26<sup>th</sup>.

Let's show how community service oriented our club is by showing up in our shiny Corvettes and proudly wearing our LVCA shirts while we bring some happiness to deserving children.

(Note that this is an outdoor event requiring extended periods of standing, climbing of steps and repetitive kneeling.)
